

## **New Silk Road Forum in Association with ICG-Events**

### **Islamic Finance Session Update**

The forum will feature two dedicated panel discussions; one covering the recent developments in Islamic Finance and the other highlighting and exploring the abundance of opportunities in the new silk road nations for the Islamic Financial services.

A premier focused gathering providing excellent networking opportunities and the ideal platform for experts and those interested in accessing the industry to discuss the key issues, highlight and identify new opportunities and forge new business relationships
